	5.	On 25 April, the eastern section of the Luetzendorf Kaserne on Ettersburger- strasse was occupied by about 500 soldiers wearing red-bordered black epaulets with artillery insignia. On 21 April, five trucks towing 37-rm AA guns left the installation toward Ettersburg. Each truck was occupied by about 20 soldiers. On 25 April, a small group of about 15 soldiers practiced with
25X1 25X1		rifles in the barracks yard. A 37-mm AA muns was seen in a mun shed.
	6.	On 25 April, the middle section of the Luetzendorf Kaserne on Ettersburger- strasse was occupied by about 500 soldiers. Some wore black-bordered black enaulets and some blue-bordered black enaulets with signal insignia. On 21
		April, poles for overhead lines and 50 rolls of field wire were piled up in the barracks yard; there also were packs for carrying reels and field telephones. A group of very young soldiers drilled with rifles. About 12 soldiers wearing block-bordered block epaulets were engaged in the construction of telephone lines on the south edge of the training field near Gaberndorf; they appeared to be unskilled and very young. About 10 soldiers were engaged in athletics
25X1 25X1		on 25 April. No other training activity was noticed.
25X1 25X1	7.	On 25 April, the western section of the Luetzendorf Kaserne on Ettersburger-strasse was occupied by a military hospital. About 50 soldiers wearing redbordered black epaulets were seen receiving first aid instruction.
	0.	On 29 /oril, the main building of the Machrichten Maserne south of Leibnizellee was occupied by about 900 soldiers wearing black-bordered black epaulets and blue-bordered black epaulets with signal insignia. The section on Duererstrasse was occupied by a motor transport unit of about 30 soldiers wearing red-bordered
25X1		black epaulets. On 22 'pril 1952, ou troops practiced firing with rifles in the barracks yard. Fifty soldiers entered the installation with rifles. Two groups of 10 men each strung telephone lines in the ebicht forest. On 26 April, 100 troops in three groups drilled with rifles in the barracks yard. About 60 troops strung light field wire lines in the Webicht forest. On 29 April, about 50 men engaged in athletics. About 60 soldiers wearing black-bordered black epaulets were engaged in a signal practice at the athletic field in the Goethebark. They strung light
25X1 25X1		field wire across the Ilm River.
	9.	On 28 April, the Nobra airfield was occupied by about 1,100 soldiers wearing red-bordered black epaulets, including some with black-bordered crimson, black-bordered black and blue-bordered black epaulets. About 60 soldiers received combat training in the area between the Hohra sinfield and Ulla; they were red-bordered black epaulets. Twenty-five soldiers wearing black-bordered black
25X1 25X1	Γ	epaulets and carrying telephone equipment marched toward Ulla.
25∨1	10.	On 23 April, source saw a column on the Arnstadt (1951/J 35) - Erfurt road which proceeded northward
25X1		Six of the trucks towed 76.2-mm guns and two towed field kitchens. Each truck was occupied by an estimated 20 soldiers wearing red-bordered black epaulets, and officers rode in several sedans. (3) 25X1
